Circular no. 8 of 2022

27th June, 2022

Dear Brothers and Sisters,

**Sub:** “NUSI SAHAYOG” launched 25th June, 2022 on “Day of the Seafarer”

To help our ratings and petty officers, including trainee seafarers, get job directly in good companies

Many complaints have been received from seafarers about cheating, fraud to get job. Many seafarers have given lakhs of rupees to agents and manning companies to get employment. There have been many cases of online cheating on FaceBook, Instagram and other social media platforms. Many such seafarers are abandoned in Iran, Malaysia and other countries and some are also in jails. All this is spoiling the name of our shipping industry.

Nobody likes to give money for getting job. Seafarers are also to be BLAMED as despite being aware of such fraud, they are still giving huge money to agents. Some seafarers think that this is the only way to get job on ships. Such seafarers do not want to upgrade their own skills and train themselves, but are willing to give huge money to agents.

National Union of Seafarers of India (NUSI) is happy to launch “NUSI Sahayog” on the occasion of the “Day of the Seafarer”. The aim of “NUSI Sahayog” is to help our ratings and petty officers, including trainee seafarers, get a job directly in good companies without any “agentgiri” and without any service charge.

To register with “NUSI Sahayog” you have to go to the link <https://forms.gle/FKYy6BsepL7FVnRV8> and fill up your details. Only those seafarers should apply who are ready to go on any type of ship of Indian or foreign flag, big ship or small ship, whether it is an offshore, tug, coastal, foreign going, cruise, etc. Getting a job is more important than waiting at home for a good break. It will increase your experience and helpful in future. **All communications, enquiries, questions and instructions will only be strictly through email [nusi.sahayog@gmail.com](mailto:nusi.sahayog@gmail.com)**

“NUSI Sahayog” is not a guarantee but is to help and facilitate your employment and introduce you to good standard companies. The selection will be done purely on merits and as per each individual shipping company policy. Seafarers having additional technical certified skills like welding, fitting, ITI, cookery etc will definitely have better opportunities.

So fill up your details at the link and NUSI will do our best to assist you.

Happy Seafarers Day

With warm regards,

(Abdulgani Y. Serang)
