

May Day Greetings – 2018

International Workers' Day, also known as Labour Day or Workers' Day in some countries and often referred to as May Day, is the celebration of the working classes and is celebrated on 1st May every year. It is promoted by the International Labour movement. In India, 1st May is a public holiday and is associated to the struggles of the Indian Labour movement.

The National Union of Seafarers of India (NUSI) strives for the betterment of our seafarers and their families in particular and the shipping fraternity in general. The NUSI agreements and the welfare activities initiated by NUSI are very unique and appreciated not just in India but throughout the world.

NUSI conveys MAY Day Greetings to all our seafarers and their families. Make your union stronger as a collective voice is a more effective and powerful voice.
