Chance to win UK 2,000 pounds or UK 1,000 pounds for 1st Prize plus

Chance to win Rs. 25,000/- from National Union of Seafarers of India (NUSI) for all ranks of Indian seafarers

National Union of Seafarers of India (NUSI) is delighted to inform all ranks of our Indian seafarers that two international photo competitions have been announced as per their rules and guidelines.

1) The ITF Photography Competition, UK for 2024.

Through the photographs, transport workers all over the world capture their daily lives of what it is to be a transport worker; the triumphs, the challenges and their unique perspective.

“We know that transport workers move the world and we want the world to see us.”

The details of ITF Photography Competition is available on

2) The ITF Seafarers Trust Photography Competition, UK for 2024.

Since the Covid Pandemic, The ITF Seafarers Trust, UK has been collecting seafarers' photographs and commentary, documenting life at sea in all its highs and lows.

The competition is looking for striking images and interesting accounts to give people ashore an insight into the lives of seafarers. Photos and stories that show what Life at Sea is really like.

3) In earlier competitions, the participation of Indian seafarers has been very low. Most of the photographs received are from Filipino seafarers. Surely our Indian seafarers have great photographic talent and can also win the first prize of UK 2,000 pounds or UK 1,000 pounds as the first prize in both the competitions.

To encourage all ranks of our Indian seafarers, NUSI will give an additional prize of **Rs. 25,000/-** to any Indian seafarer of any rank who wins any of the First, Second or Third prize as decided by international judges of both the competitions.

Don't miss out on this great opportunity to show your talent.

So let's show the creativity of Indian seafarers to the world.

Long Live NUSI,

Long Live Seafarers Unity

Yours sincerely,
